Description
The first African Ancestry-inspired streetwear brands. An impactful fashion brand that blends effortless style with positive, mindful, cultural expression. It blends originality with cultural pride, mindful inspiration, and African ancestry into everyday wearable apparel. B. ORGANIK is the first fashion brand geared to solely promote positivity using positive affirmations and bold design.

Gina Marie Walker, CEO of B ORGANIK, wanted to create a positive, mindful, Black apparel brand to give a voice to the unheard, inspire the ignored, and reconnect African Americans to their ancestry. Established in 2020, to be the premium and effortless trendsetter for Black cultural expression in apparel.
